

Internal Revenue Service Building

Internal Revenue Service Building

1122 Town & Country Commons Drive
Town & Country, MO 63017

50,000 square feet

Balke Brown Transwestern
Developer

Holleran Duitsman
Architect

ARCO Construction
General Contractor

A joint venture of Balke Brown Transwestern and the Alvin D. Vitt Company successfully developed the Internal Revenue Service Building. It is located in west St. Louis County and accommodates 250 employees.

The IRS building contains 50,000 square feet on two levels. It is constructed of steel framing, has a brick masonry veneer, punch-out windows and precast trim. It was the second General Services Administration project completed by Balke Brown Transwestern.
